THE WAY OF THE WARRIOR: THE PROPER WAY TO WRITE LOVE
おびれつたなな

Back in the day,
I knew what you
would call a
social network.

But, the gardening club was only made for nerds. The other people in the room were hoodlums.

I actually joined the gardening club due to my love for growing and looking at flowers.

I went to a high school for the countryside with a very low number of students, and eight percent of my classmates were hoodlums.

I was a serious-looking kid in the other faculty classes.

How I wish that I could be like you.

What you did in your life.

That's right.

That's right.

The room used for the club had been turned into a hoodlums' paradise.

HEY YOUNG

But don't expect nothing for long

But that didn't matter for long.

I wouldn't just have
the deathrite portion
and a commemorative to
ret, as I just quietly
went on with my
daily activities.

But of all the feelings, I ended up carrying the affection of the neighbor, least of these all...

SCOTT: I think I should go back to school.

My
dark, quiet
language finds
wildness.

Every day
was hell.

I lived
only on the
sea I would
get tomorrow.

I lived
only on the
love I would
and courage.

 100% cotton

Every day I was turned to handle dirty rap-around for him, and he frequently interrupted my activities. And to top it all off he stole everything out of my pocket.

Even though I chose this path initially to split loads in that fashion boutique store,

grrr

grrr

In this place, where we are known as two parts, I was alone

Now I'm completely satisfied with my life.

WELCOME!

clatter

I just want to be able to get a bit on my dark part...

Thank you, let's do a good job!

What? What is that's different?

CAN I GET MY DARK CUT SHORT?

OK, SHORT?

Or so I thought.

I DON'T WANT MY HAIR CUTTING WITH A HAIR

But, it's to be expected. I am a completely different person from who I used to be...

OH, LAW PLEASE - WE HAVE A PROBLEM HERE!

Come on,

LAUGH!

Why am I remembering all of that?

Why?

There
couldn't
any one
for me to
like this.

There was
no one for me,
I could have had a
million. There was
no one I could
love and I was
alone.

He said
he'd be
in love with
me at first

In the end,
I couldn't

The truth

That's what

YOU JUST TO

WHEN I SAID CO

THAT
WAS A

I FELL

I'M

YOU...

I WANT
YOU TO

I'VE BEEN

IT KIND
OF MADE ME

I WENT AND
TALKED TO YOU
AND YOU LISTENED TO ME

I WAS
REALLY
HAPPY.

THAT'S
WHY, BECAUSE I
LEARNED YOU
WERE THAT
SPECIAL.

I WON'T TELL
BY YOUR LOOKS
THAT I WAS HERE
BUT THEN SO.

I WILL TELL
HE LOVES WITH YOU
AGAIN HERE.

PLEASE, PLEASE
DON'T GO. I'LL TELL
YOU THE TRUTH
ABOUT THE TRUTH

Linaria Bipartita

[Botanical Name] Linaria bipartita

Native to the western shores of the Mediterranean Sea

[Height] 20-80cm

[Width] 15-40cm

[Flower] Annual From June to September

[Flower Meaning] Please notice my love for you

[How to raise and maintain them]

It's weak toward cold, but in order to grow healthy flowers, put them in a sunny place and grow them in a well-drained soil. Even if you leave them alone, you can still make the flowers bloom. It's weak towards humidity, so if you leave them in a humid place for a long time, they'll grow bent to the side.

Good afternoon
the Operator Tanaka.

Thank you for reading this book.
"Kawaii-yubi no Tsubaki Fushigoto!"

I wanted to
draw more of
Naruto's work
clothes...! By the
way, Naruto and
Kakashi-san are
connected to
Yamato, the protagon-
ist of my pre-
vious work. They
were in high
school together.

This is one of two serialized comics
I've released in the last two months,
but drawing a guy who was shy in the
past, a character type I love, was feel
like's hair is his livelihood, so he does
an illustration every morning.

before

after

By the way,
sorry that
both-ides in
this book
have stable
content.
That's how
we allowing
my prefer-
ence to rise
full throttle.

These two cried a lot, but I feel like like's
more likely to cry in general. He's the type
to cry not when they fight, but when they
make up when he's happy or relieved.
Naruto, in general, doesn't cry often...

That's right, he
definitely won't
